PITCH · SEASON 01

WTF*
ARE YOU DOING WITH YOUR MONEY?

*WHAT THE FINANCE

FINANLEAGUE

Make it free: make your mistakes here, not in real life.

MEET LUCÍA · ILLUSTRATIVE CHARACTER

LUCÍA, 20. A STUDENT IN A SHARED FLAT.

DAY 1	Her monthly money arrives. It feels like a lot.
DAY 9	Dinners and plans: she doesn't want to miss out.
DAY 16	Viral sneakers: "pay in 3 instalments".
DAY 24	Zero euros. "I don't know where it went."

DAY 12

02 · OUR HOW MIGHT WE

HOW MIGHT WE MAKE SAVING MONEY AS EASY AS SPENDING MONEY?

03 · SOLUTION

A WEEKLY LEAGUE TO LEARN HOW TO DECIDE

01 A LIFE WITH 10,000 CURROS

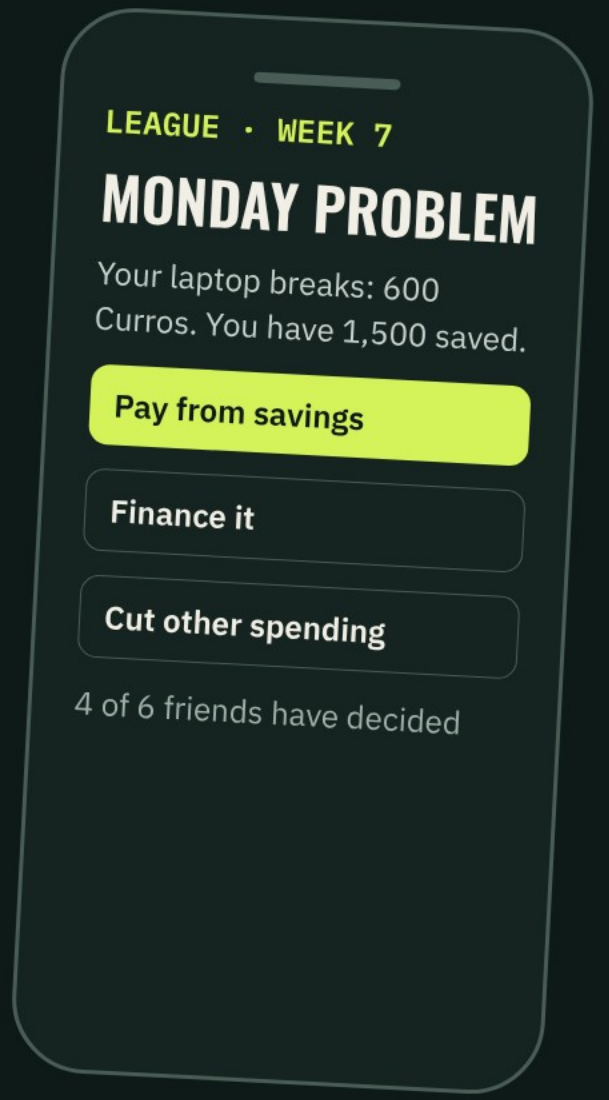

1 Curro = €1. No curro (job) yet? Here's 10,000.

02 THE MONDAY PROBLEM

Your whole league faces the same unexpected event

03 YOUR FINANCIAL PERSONALITY

Shows you how you decide and how you improve

BRANDING

A GAME, NEVER A GAMBLE

01 · OUR CURRENCY

THE CURRO · 1 CURRO = €1

Not everyone has a curro (a job) yet… so here's 10,000. And everyone has a friend called Curro: now he looks after your money.

02 · RESPONSIBLE PLAY

NO REAL MONEY, NO BETS, NO PAY-TO-WIN

Curros can't be bought or cashed out. Prizes are internships and training. About 10 minutes a week.

03 · COLOURS FROM THE STADIUM

Night, pitch, scoreboard, chalk. Lime replaces casino gold: we reward progress, not luck. Losses in soft coral, never alarm red.

04 · VOICE

THE TEAM CAPTAIN

Competitive but fair, close, with a wink. We explain, we never judge: a mistake is a lesson.

"CURRO" = SPANISH SLANG FOR "JOB"

04 · COMPETITIVE ADVANTAGE

WHY WE'RE HARD TO COPY

NETWORK EFFECTS

Every league brings friends; every friend brings a league.

DECISION DATA

How young people really decide: our scenarios get better every week.

CAMPUS PARTNERS

Relationships with universities take time to build.

SCENARIO LIBRARY

Real Spanish everyday life, in Curros, growing every season.

Others simulate the stock market → **we simulate your real life, in Curros**

Others: solo lessons that never end → **leagues with friends, in seasons**

Others rank by points or net worth → **we reward good decisions**

Others tell you what you made → **we show you how you decide**

Best-move analysis after each decision

3–4 % of active players go premium. Typical freemium: 2–5 %. Duolingo, the gamified-learning benchmark: 9 %. We stay conservative.

BENCHMARKS: ADAPTY (2–5 %) · DUOLINGO Q3 2025 (9.0 % OF MAU) · 1 CURRO = €1

EVERY LEAGUE BRINGS THE NEXT ONE

01 **Lucía plays her first Monday** → 02 **Creates a league with her flatmates** → 03 **Invites them with a code** → 04 **Each friend starts another league**

CAMPUS FIRST

Ambassadors and student associations; leagues between faculties.

CREATORS

Special seasons with personal-finance creators on social media.

SPONSORS

Brands sponsor themed seasons. Never bets, never cash.

WE MEASURE

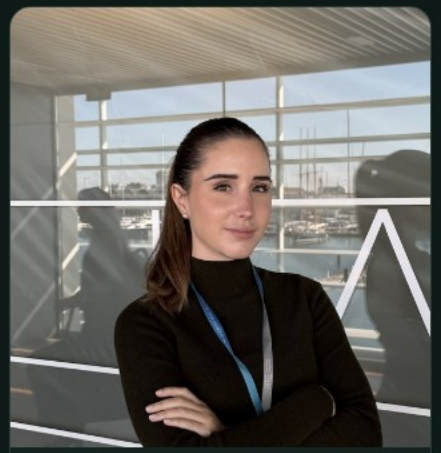

Do they return on the second Monday? Do they invite? Do they decide better?
